This pilgrimage offers a deep connection to biblical events and Egypt's ancient cultural heritage, providing a unique spiritual experience for Christian pilgrims and potential tour hosts.

Egypt holds a significant place in Christian history as the land that sheltered the Holy Family during their flight from King Herod. According to tradition, Mary, Joseph, and Jesus found refuge in Egypt, leaving a trail of sacred sites that inspire the faithful.

One of the most revered destinations is the Church of St. Sergius and Bacchus in Cairo, believed to be built where the Holy Family rested. This ancient church invites pilgrims to reflect on the early days of Christianity.

The Monastery of St. Catherine, at the foot of Mount Sinai, is another cornerstone of Christian pilgrimage in Egypt. Pilgrims can climb Mount Sinai, where Moses received the Ten Commandments, for an unforgettable experience of faith and devotion. Additionally, the Hanging Church in Cairo, one of Egypt's oldest churches, offers insights into the Coptic Christian tradition. This basilica symbolizes the enduring strength of Christianity in Egypt.

Egypt also boasts monastic communities like the Monastery of St. Anthony, the world's oldest Christian monastery. Nestled in the Eastern Desert, it provides a tranquil retreat for prayer and contemplation.
